MR. ROCKEFELLER had best come out to Kentucky and pour some Standard Oil on the troubled lawyers.

THE lawyers must have gone a-fishing. Just twenty-three hours have elapsed since a suit was filed against the Standard Oil Company.

In Cincinnati thirty-five striking iron molders, tired of dictation from others and having families to support, resigned from their Union and went to work.

SAY what you may about the Catholics; but they are not split up into geographical factions—Catholics North or Catholics South, expecting to reach Heaven through a political tollgate.

COLONEL JOHN D. ROCKEFELLER—Hi, there, JOHN! Please send a few hundred thousand to pay your fines for peddling Standard Oil in Kentucky without license. N. B.—“Tainted money” will be accepted.

It's surprising how many 17x21¹/₂ Lawyers and Editors have settled the Caleb Powers case in advance of the evidence and the arguments. THE LEDGER will be content with Judge COCHRAN's decision, whichever way it goes.

THE local lawyers are planning several busy days for Judge HARBERSON when he next convenes Circuit Court. And all the while Circuit Clerk WOODWARD leans back in his big chair and smiles over the prospect of many fat fees.

Who Will Be Queen of the Carnival? Sole Agent

AT Fort Worth, Texas, the Committee on Sunday Observance gravely reported to the Southern Presbyterian General Assembly that, among other things, the publication of Sunday newspapers was the cause of many disastrous wrecks on railroads!

“We called no physician except God. He has healed the children of croup, measles and me of typhoid fever, and in every case successfully except this one.” So said a Mrs. ERB of Cincinnati, after her daughter had died of scarlet fever. She ought to have remembered that “God helps those who help themselves;” and that in a worldly way there's such a thing as “riding a good horse to death.”

PRESIDENT C. P. SHEA of the Teamsters Union some time ago indignantly denied that his strikers were lawbreakers; and yet he himself announces his intention to defy Federal Judge C. C. KOHLSAAT and Master in Chancery SHERMAN by persisting in refusing to answer questions at the resumption of the hearing of alleged violations of the strike injunction, claiming that to answer might tend to incriminate him. If SHEA has done nothing wrong, how can he incriminate himself? Further along SHEA said—

“I think they intend to send me to jail. Anyway, I am not going to answer the questions before the Master. I might as well go to jail for contempt as for conspiracy. I can run the strike from the jail.”

Here is a defi and a confession in one sentence—a defiance of Federal authority and a confession that he is a conspirator. Mr. SHEA needs to be disciplined.

D. D. D. SPECIAL OFFER REGARDING diseases of the skin.

I have lately secured the agency for this city and vicinity of a preparation which is reliable and certain in clearing away troubles of the skin. Many forms of skin affections which have been considered incurable are conquered by this medicament as easily as a cough is stopped by the proper soothing and healing influences. This preparation is now in use among skin specialists, and many large hospitals have adopted it for eczema and kindred cases. It stands among the most useful medical agents now known.

I have evidence of its work to show which will interest any sufferer. Call and investigate same. Since I have been handling the remedy—known as D. D. D.—its work proves so effective I guarantee its efficacy. In all cases of skin affection I will refund the price of a bottle (\$1) if the sufferer does not consider it literally a Godsend after trying. It is curing the worst kind of cases every day. It seems a pity any one should suffer the torture of skin troubles when so dependable a curative agent can be had so cheaply.

Mr. Windsor Ball is home from Winchester, where he attended Kentucky Wesleyan College the past session.

Mr. Morris Kirk is home from Kentucky State College at Lexington, where he was a student the past year.

At the last meeting of the City Council the matter of extending the water main and the placing of a fireplug on Union street was placed in the hands of the Water Committee, with power to act.

At a recent meeting of the Committee it was decided to continue the water main along Union to the junction of said street with Forest avenue and to place a fireplug on the Northwest corner of said streets.

The residents in Forest avenue between Lexington and Union streets have been denied fire protection ever since the completion of the Waterworks from the fact that the water main does not extend farther along that thoroughfare than Lexington street, and the placing of a fireplug at the point designated will give them the protection to which they are justly entitled.

When Elizabeth street is opened and completed to Union the American Tobacco Company will place a fireplug at its own expense midway between their two large buildings, thus affording ample protection to their own property as well as giving additional security to the residents in the immediate vicinity.

Lawyer C. L. Salter was in Vanceburg yesterday on business.

The Republicans of Ohio yesterday nominated Myron T. Herrick for Governor, General A. L. Harris for Lieutenant-Governor, W. Z. Davis for Judge of the Supreme Court, Wade H. Ellis for Attorney General, W. S. McKinnon for Treasurer, and William Kirtley, Jr., for Board of Public Works.

With the Chicago strike spreading each hour in the lumber district, and no signs of peace in sight, affairs in the teamsters strike assumed a serious aspect yesterday. Unable to meet the demands for police protection, Mayor Dunne issued a call for 1,000 able bodied citizens to report at Chief O'Neill's office at once and be sworn in as policemen to do strike duty. Sheriff Barrett continued to swear in deputies. The number of deputies sworn in since the beginning of the strike now numbers 4,000.

A TRULY IDEAL WIFE HER HUSBAND'S BEST HELPER

Vigorous Health Is the Great Source of the Power to Inspire and Encourage—All Women Should Seek It.

One of the most noted, successful and richest men of this century, in a recent article, has said, “Whatever I am and whatever success I have attained in this world I owe all to my wife. From the day I first knew her she has been an inspiration, and the greatest helpmate of my life.”

Mrs. Bessie Ainsley

To be such a successful wife, to retain the love and admiration of her husband, to inspire him to make the most of himself, should be a woman's constant study.

If a woman finds that her energies are flagging, that she gets easily tired, dark shadows appear under her eyes, she has backache, headaches, bearing-down pains, nervousness, whites, irregularities or the blues, she should start at once to build up her system by a tonic with specific powers, such as Lydia E. Pinkham's Vegetable Compound.

Following we publish by request a letter from a young wife:

“Ever since my child was born I have suffered, as I hope few women ever have, with inflammation, female weakness, bearing-down pains, backache and various headaches. It affected my stomach so I could not enjoy my meals, and half my time was spent in bed.

“Lydia E. Pinkham's Vegetable Compound made me a well woman, and I feel so grateful that I am glad to write and tell you of my marvelous recovery. It brought me health, new life and vitality”—Mrs. Bessie Ainsley, 611 South 10th Street, Tacoma, Wash.

What Lydia E. Pinkham's Vegetable Compound did for Mrs. Ainsley it will do for every sick and ailing woman.

If you have symptoms you don't understand write to Mrs. Pinkham, at Lynn, Mass. Her advice is free and always helpful.

Thomas of 204 Limestone street, Maysville, Ky., says: "I am only too pleased to confirm the statement I made in the spring of 1900 recommending Doan's Kidney Pills, after they had relieved me of backache and other symptoms of kidney trouble. I got them at J. Jas. Wood & Son's Drugstore. During the years that have elapsed since I made that statement I have had occasion to give Doan's Kidney Pills a further trial, and I have found that it requires only a few doses to ward off attacks of kidney trouble or to check them before they become serious. I can also point to the case of my boy, 12 years old, who at the time I first used Doan's Kidney Pills was troubled a great deal with weakness of the kidneys and could not control the secretions properly. I gave him Doan's Kidney Pills and he improved rapidly under the treatment. The relief he found has proved lasting and from his experience and mine I am certainly warranted in recommending Doan's Kidney Pills."

In the Covington Police Court yesterday Harry Rohrer was fined \$25 for disorderly conduct, and when two officers started to take him to jail he "cleaned them out," together with the Judge and Prosecuting Attorney. Then the Jailer and Turnkey jumped in, and finally the six managed to lock him up. That "disorderly" was cheap at \$25.
